Your Sponsorship

We work very hard to try to ensure that all our event costs are covered by the entry fee. The money you donate, as a sponsor, funds research into improving the treatment and finding a cure for leukaemia, lymphoma and other blood disorders such as Hodgkins disease, the myelomas, and aplastic anaemia. **We thank you sincerely for your support.**

Raise Money Online

Alternatively, you can register with **www.justgiving.com** or **http://uk.virginmoneygiving.com/giving/** for an easy and efficient way for your sponsors to donate and raise money for your charity online.

Gift Aid

Please make your donation worth an extra 25p for every £1 given at no extra cost to you (company donations do not qualify). Declaration covers donations made in the past four years, plus present and future donations. Please complete all details marked * for your Gift Aid declaration to be valid, and let us know if any of this information changes. It's that simple!
You must pay an amount of income and/or capital gains tax in the UK (in the same tax year), at least equal to the tax we reclaim on your donations.
